

Md Waqar Moid

Third Year Undergraduate

Department of Biological Sciences and BioEngineering

   waqarmoid23@iitk.ac.in |  +91-9433175993

ACADEMIC QUALIFICATIONS			
Year	Degree/Certificate	Institute	CPI/%
2023 - <i>present</i>	B.Tech	Indian Institute of Technology Kanpur	7.3/10
2023	ISC (XII)	St.Thomas' Boys' School, Kolkata	95.0 %
2021	ICSE (X)	St.Thomas' Boys' School, Kolkata	98.2 %
SCHOLASTIC ACHIEVEMENTS			
- Secured All India Rank 14647 in JEE Advanced 2023, conducted by IIT Guwahati, among 1,80,000+ shortlisted candidates - Secured All India Rank 16562 in JEE Mains 2023, conducted by the NTA, among 1.1 million candidates - Secured All India Rank 941 in West Bengal Joint Entrance Examination 2023 among 1,20,000+ candidates			
WORK EXPERIENCE			
Unstop <i>Content Marketing Intern</i>		<i>(June '25 - July '25)</i>	
- Aimed to contribute to the database of engaging and challenging questions for quizzes on the Unstop platform - Researched various online newsletters, articles and magazines to scout for trivia and relevant images - Authored 1000+ multiple-choice questions across business sectors and diverse genres, enhancing content depth and variety on the platform and contributing to improved user engagement			
KEY PROJECTS			
Interactive Stock Performance Visualization <i>CS661 Course Project</i> <i>Prof. Soumya Dutta</i>		<i>(May '25 - July '25)</i>	
Objective: Visualized stock performance alongside macroeconomic indicators (inflation, GDP) and market sentiment Approach: Preprocessed financial time-series data using Python, computed technical indicators such as RSI and MACD, and derived sentiment scores using NLTK/VADER; developed an interactive frontend using D3.js and Plotly Progress: Aggregated multi-source data in real time and identified correlations between major events and sector performance			
Plant Stress Resistance Classification via Evolutionary Networks <i>Prof. Rajesh M. Hegde</i> 		<i>(May '25 - July '25)</i>	
- Classified plant proteins into six abiotic stress categories by leveraging sequence-derived amino-acid composition and dN/dS ratio-based evolutionary pressure network, benchmarking against the ASRPro model - Extracted amino-acid frequencies, computed dN/dS ratios, built a similarity graph (nodes linked by 90% sequence similarity and proximal selection sites), and applied small-world network concepts to derive centrality and clustering measures - Trained an SVM Model on the combined feature set, achieving 61% test accuracy, on par with ASRPro's reported performance, validating the integration of network topology and evolutionary metrics for stress-response prediction			
BioBytes <i>BioSoc, IIT Kanpur</i> 		<i>(May '24 - July '24)</i>	
- Learned about data preprocessing, various unsupervised (K-Means, PCA) & supervised (Logistic Regression, Random Forest, KNN, SVM) algorithms and evaluation metrics like confusion matrix and classification report - Using feature engineering and hyperparameter tuning, built a model to predict whether diabetic patients were readmitted within 30 days, after 30 days, or not readmitted at all, achieving an average accuracy of 78% and an F1 score of 75% - Learned to use the ChEMBL database and built a drug discovery model for SARS-CoV-2 by applying Lipinski's rules			
TECHNICAL SKILLS			
Programming Languages: C, Java, C++, SQL, Python (NumPy, Pandas, Scikit Learn, Matplotlib, Seaborn, Librosa, Plotly, VTK, TextBlob, NLTK, VADER, Talib, BioPython, NetworkX) Tools/Software/Utilities: Excel, PowerPoint, Jupyter Notebook, Colab, Kaggle, $\text{\LaTeX}$, PowerBI, GitHub, Paraview			
RELEVANT COURSES			
<i>(*:ongoing)</i>			
Big Data Visual Analytics*	Applied Probability and Statistics	Introduction to Management	
Marketing Management*	Linear Algebra & Differential Equations	Introduction to Computing	
POSITIONS OF RESPONSIBILITY			
Events Secretary, Media & Cultural Council <i>IIT Kanpur</i>		<i>(June '24 - April '25)</i>	
- Secured sponsorships and onboarded multiple vendor stalls for events like Treasure Hunts and Cultural Nexus (Fresher's) - Part of organising and conducting teams for Alfaaz (Literary Fest) and Cultural Extravaganza			
Secretary, Quiz Club <i>IIT Kanpur</i>		<i>(April '24 - March '25)</i>	
Represented the institute at inter-collegiate competitions, including Inter-IIT and Nihilanth, the Inter-IIT-IIM Quiz Fest			
EXTRA-CURRICULAR ACTIVITIES
